

WORKSHEET OUTPOST | Grade 2 Math

Combine the tens and ones separately

OW-G2-005 | Five questions

Success criteria
I can use tens and ones to add or subtract within 100.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 28 + 18 = ___. Add tens, add ones, then combine.

2. 37 + 29 = ___. Add tens, add ones, then combine.

3. 46 + 30 = ___. Add tens, add ones, then combine.

4. 58 + 22 = ___. Add tens, add ones, then combine.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
