

WORKSHEET OUTPOST | Grade 2 Math

Three-digit numbers in words and numerals

OW-G2-075 | Five questions

Success criteria
I can write the same number in different ways.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write 234 in words and expanded form.

2. Write 356 in words and expanded form.

3. Write 407 in words and expanded form.

4. Write 582 in words and expanded form.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
