

WORKSHEET OUTPOST | Grade 1 Math

Shape features that matter

Success criteria
I can identify a shape by its sides and corners.

OW-G1-157 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. A triangle is made bigger, turned, and colored red. Is it still a triangle? Tell what matters.

2. A square is made bigger, turned, and colored red. Is it still a square? Tell what matters.

3. A rectangle is made bigger, turned, and colored red. Is it still a rectangle? Tell what matters.

4. A circle is made bigger, turned, and colored red. Is it still a circle? Tell what matters.

5. Draw a shape like one on this page. Name it and describe one thing you notice about it.

You can point, speak, draw, or write. Adults can note any help they give.
